Empowered To Connect, together with Show Hope and The Karyn Purvis Institute of Child Development at TCU, hosts the Empowered To Connect Conference — a two-day conference designed to help adoptive and foster parents, ministry leaders and professionals better understand how to connect with “children from hard places” in order to help them heal and become all that God desires for them to be.

The conference features David Cross, Mandy Howard, Daren Jones, Dan and Terri Coley, Ryan and Kayla North, Casey Call, and Cindy Lee and is ideal for adoptive and foster parents, those considering adoption or foster care and those who are serving and supporting others, including social workers, agency professionals, church staff and ministry leaders, counselors, therapists and others.
