

Sisters In Christ

*Sending Sunshine into
Someone's Life*

Sisters in Christ is an extension of the Women's Ministry here at Hampton Falls First Baptist Church.

It is designed to provide an opportunity for each lady in the church to be active in ministry.

Each participant will be given the name of another to support and encourage for an allotted amount of time.

Remember it is a secret!

The desire of this ministry is for each sister to embrace her membership by;

praying for her appointed sister

encouraging her by sending notes or e-cards

remembering her special occasions

Please do not feel limited to the prior suggestions.

At the end of your allotted time as a Sister in Christ you are invited to a special gathering when you reveal to your sister who you are with one final gift. The date of the gathering will later be announced.

If you are unable to continue your ministry as a Sister in Christ or want to speak with someone more about this ministry, please contact Lois Lilienthal at 778-7568 or davidandlois1@yahoo.com

We hope you experience the joy of blessing others as Christ has so blessed us!
