

Remember the young women who could not attend school because they could not pay school fees? They formed a group called 'Femmes de Future' (Women of the Future).

With start-up assistance from our partner churches and friends in the US, they have produced many crafts ... from handbags to beaded jewelry to tie dye material, etc.

School resumes today in Congo, and because of their hard work and determination (and your support), these 11 girls are back in school! Now to start with another group!

*She wraps herself in strength, carries herself with confidence, and works hard, strengthening her arms for the task at hand. Proverbs 31:17*

With joy! Ann and Bill

On earth as it is in heaven (Matthew 6:10)
