

# Prayer and Praise

October 25, 2020

## CHURCH FAMILY

- **Marion Trafidlo**, mother of **Bill Trafidlo**, passed into the presence of the Lord on October 21st. Please pray for Bill and Cynthia and family as they grieve her passing.

- Continue to pray for **Ellie & Emmie Bauer**.

**Ellie** has finished week 3 of a new drug. She has been tolerating it well. She has visits every Monday, to have blood tests. In another week she will have an X-ray and ultra sounds to make sure her disease isn't progressing to a place that is concerning. Please pray that this treatment works. New scans will be mid to end of November.

**Emmie's** recent tests have come back negative.

We are praying that her next scan in 2 weeks will show that her tumor has shrunk. If it shrinks, they will explore the possibility of it being an autoimmune disease. Both girls have important scans coming up in Nov. Pray for amazing results! Pray with expectation! (Andy) Please check Ellie's Warriors on Facebook for more complete updates.

- **Noel Searles** - Noel has had a setback and is back in Boston. Please keep him in prayer for a complete recovery.

- **Don and Shari Lynch** - Continue to pray for complete healing.

- **Joanne Baron** is at Oceanside Nursing Home and would love to hear from her church family. You may call her at (603) 758-5007, Room 104.

- **Peter Polzella** - Continue to pray for complete healing.

- Please pray for those anticipating surgeries this week. Pray surgeries will be successful and for complete healing.

- Pray for those in our midst who are struggling with personal and family issues, illness of loved ones, marital issues, unemployment, and others. Pray for trust in the Lord, that He is sovereign, and will bring them through these trials.

- Please also pray for those battling addictions, many in this state and family members in this church are suffering from heroin, opioid and other addictions, including tech/digital addictions. At this time the Covid-19 restrictions are keeping people from the programs They need to help them. Pray that they turn to the Lord for His help.
