*Grace was a happy unicorn for a snowy Halloween*

#### PRAISES:

- Alumni encouraging us and students with visits and zoom meetings
- Great student leaders that show Jesus' love and serve the group
- Good health for us as a family during this time (I am still tested 2 times a week)

#### PLEASE PRAY FOR:

- Students to stay involved and grow in Jesus this semester
- Student leaders to grow in leading and sharing God's love
- Continued health for us.

#### Dear Praying Friends,

Meet GJ (picture below) from the Netherlands. He was in my first group at Boston University over 10 years ago. While at BU for his MBA he was a leader in our ministry and at his church. In our first meeting, I asked him what was his dream job (I often ask this). He told me he wanted to do missions with children in Uganda. That was not a common answer for an MBA student and I wondered if he would really do it. Well, he has been in Uganda for over 5 years now; he is married with two kids and uses his MBA to help with business development (micro-finance loans) and discipleship. He also does some work with children. He recently shared about his journey to the current grad students in our fellowship over zoom. He and his family are in the U.S. now and are headed back once they can travel out safely. **What a joy to see a student leader from a long time ago living for Jesus in a special way.**

Ministry in COVID is different but good. We don't have big meetings based around food anymore, but we do have zoom meetings and go deeper in Bible study. We are focused a bit more on the student leaders as there are not a million new students we know. Sarah and I spend no time on food preparations (which used to take hours a week). We get to meet up with students one-on-one which is great. We are gearing up for an International Zoom Thanksgiving, where we deliver them food and then eat together over zoom. **Thank you for praying for us in this and helping us show the love of Jesus to international and grad students at Boston University and MIT Sloan.**

Love, *Tim, Sarah,  
Zeke, Sam, Nate and Grace*

*Tim and GJ enjoying some good weather and sharing updates after many years serving in Uganda.*
